• Energy • Innovation • Leadership Delivering Value Beyond Batteries

In an era defined by rapid energy transformation, our commitment goes far beyond manufacturing lithium batteries. At the core of our operations lies a vision to redefine how energy is stored, delivered, and utilized. **Energy** symbolizes our purpose—providing clean, efficient, and reliable power solutions that fuel modern life and drive sustainable progress.

Innovation is the engine of our growth. Through cutting-edge research, advanced technology, and future-ready designs, we continue to pioneer energy storage solutions that meet the evolving needs of electric mobility, renewable integration, and smart infrastructure. Every cell we produce reflects our relentless pursuit of efficiency, performance, and sustainability.

Leadership defines our position in the global energy landscape. We are not just part of the green revolution; we are shaping it. With strong governance, a focus on ESG principles, and partnerships that foster growth, we deliver more than products—we deliver trust, value, and long-term impact.

We aim to be a catalyst for a cleaner, smarter, and more resilient world—where innovation and responsibility power the future.

VISION MISSION VALUES

The Principles Powering Our Purpose

OUR VISION

To be a global leader in advanced energy solutions, enabling a sustainable future through innovation, reliability, and responsible practices.

OUR MISSION

- To design and manufacture high-performance lithium-ion batteries that meet global quality standards.
- To innovate continuously for developing next-generation energy storage solutions aligned with clean energy goals.
- To create value for customers, stakeholders, and society through environmentally responsible and customer-focused operations.

OUR CORE VALUES

Innovation

Driving progress through continuous research and cutting-edge technology

Quality

Delivering products that exceed industry standards for safety, reliability, and performance

Sustainability

Reducing environmental impact by promoting clean energy and eco-friendly practices

Customer Focus

Building trust through customized solutions and superior service.

ATC AT A GLANCE

ATC Energies System Limited, formerly known as ATC Energies System Private Limited, is recognized as manufacturers of advanced lithium-ion battery solutions. With two world-class manufacturing facilities located in Vasai (Mumbai) and Noida (NCR), spanning over 6,000 square meters, the company operates with state-of-the-art technology, precision-driven processes, and a dedicated in-house research and development center. Leveraging advanced design capabilities and robust production capacity, ATC has earned its position among Asia's top 10 brands in the lithium battery segment.

Specializing in customized, high-quality lithium battery packs and products across multiple grades, ATC caters to diverse applications, including electric mobility, renewable energy storage, and other emerging energy solutions. Its unwavering commitment to quality is evident in its stringent manufacturing and testing protocols, ensuring every product delivers superior performance, safety, and extended lifecycle. Driven by a customer-centric philosophy, ATC consistently invests in research and innovation to develop next-generation lithium battery technologies and advanced storage solutions aligned with global sustainability goals.

Understanding the growing significance of renewable energy in the world's power landscape, ATC integrates cutting-edge technologies to create solutions that complement green energy systems. In addition, the company prioritizes environmental responsibility by maintaining negligible levels of harmful metals—such as cadmium, lead, and mercury—well within internationally accepted standards, minimizing ecological impact during use and disposal.

Standing at the forefront of energy innovation, ATC Energies System Limited goes beyond manufacturing batteries. It delivers transformative energy solutions that empower industries, enable cleaner mobility, and shape a smarter, greener, and more connected future for generations to come.

SETTING THE STANDARD FOR ENERGY EXCELLENCE

At ATC Energies System Limited, quality and trust define our foundation. Every product we create adheres to globally recognized standards, ensuring safety, sustainability, and future readiness. Through rigorous quality control and compliance with stringent regulations, we deliver unmatched reliability and performance.

OUR CERTIFICATIONS INCLUDE

- ISO 9001:2015**
Quality Management System
 Demonstrates our commitment to consistent quality, customer satisfaction, and continuous improvement across all operations.
- ISO 14001:2015**
Environmental Management System
 Ensures our processes align with global environmental norms, minimizing ecological impact and promoting sustainability.
- ISO 45001:2018**
Occupational Health & Safety Management
 Reflects our focus on employee well-being and workplace safety through structured risk management practices.
- GMP Quality Certification**
Validates our adherence to Good
 Manufacturing Practices, ensuring products meet the highest quality and safety benchmarks.
- RoHS Compliance**
 Confirms that our products are free from hazardous substances, safeguarding both user safety and environmental health.
- CE Certification**
 Affirms compliance with stringent European safety, health, and environmental standards, making our products globally competitive.
- MNRE Approval**
 Recognition by the Ministry of New and Renewable Energy for supporting India's transition toward sustainable energy solutions.
- IP67 Rating**
 Guarantees superior protection against dust and water, making our batteries robust and reliable for all conditions.
- Make in India Certification**
 Highlights our contribution to India's self-reliance by manufacturing advanced energy solutions domestically.
- E-Waste Recycling Certification**
 Demonstrates our responsibility toward eco-friendly disposal and lifecycle management of energy products.
- iCAT Certification**
 Ensures compliance with automotive standards, reinforcing our capabilities in the electric mobility segment.

POWERING EVERY POSSIBILITY:

OUR PRODUCT PORTFOLIO

ATC Energies System Limited offers a diverse range of lithium-ion battery solutions designed to meet the evolving energy needs of industries, businesses, and consumers. Our products integrate advanced lithium technologies such as LiFePO₄, Solid state, LTO, LiPO, LiHV and NMC, ensuring superior performance, safety, and sustainability across applications. With world-class engineering and customizable designs, ATC batteries deliver unmatched reliability for multiple sectors.

AGRICULTURE & HEAVY EQUIPMENT

Empowering agriculture with robust energy solutions, ATC batteries support tractors and agricultural machinery for extended performance and minimal downtime. Options include 12.8V 6AH to 72V 200AH packs, ensuring durability in challenging environments.

ENERGY STORAGE SYSTEMS

Our high-capacity LiFePO₄ batteries are at the heart of renewable energy integration. Designed for home, commercial, and industrial energy storage, capacities range from 12.8V 100AH to 480V 400AH, offering 5-year warranties for long-term reliability.

UPS & INVERTER SOLUTIONS

Delivering seamless backup power for homes and businesses, ATC's inverter batteries combine efficiency and safety. Models include 12.8V 6AH to 480V 400AH, ensuring consistent performance in critical situations.

ELECTRIC MOBILITY SOLUTIONS

TWO - WHEELERS & THREE-WHEELERS

Powering the EV revolution with advanced NMC and LiFePO₄ packs, ATC offers configurations like 48.1V 30AH, 59.2V 30AH, 72V 35AH and 51.2V 100Ah, 60.8V 100Ah, 72V 200Ah, ensuring extended range and safety for e-mobility users.

SOLAR POWER APPLICATIONS INDUSTRIAL EQUIPMENT

From residential rooftops to industrial-scale installations, our solar-compatible lithium batteries deliver sustainable energy solutions. Configurations range from 11.1V 5.5AH to 48V 200AH, making solar energy storage efficient and dependable.

AUTOMATED GUIDED VEHICLES (AGVS)

Advanced lithium packs ranging from 48V 30AH to 48V 400AH are engineered for automated logistics systems, offering consistent power and durability.

MATERIAL HANDLING & CLEANING MACHINES

Our high-capacity batteries, such as 12.8V 80AH to 48V 400AH, support forklifts, AGVs, and industrial cleaning machines, ensuring operational efficiency in demanding environments.

ELECTRIC BICYCLES & GOLF CARTS

Our high-capacity LiFePO₄ batteries are at the heart of renewable energy integration. Designed for home, commercial, and industrial energy storage, capacities range from 12.8V 100AH to 480V 400AH, offering 5-year warranties for long-term reliability.

WHY ATC ENERGIES SYSTEM LIMITED?

- **Proven Leadership:** Ranked among Asia's Top 10 in lithium-ion battery design and production capacity.
- **State-of-the-Art Infrastructure:** Two world-class manufacturing facilities in Vasai (Mumbai) and Noida (NCR), spanning 6,000+ sq. meters with advanced technology and automation.
- **Dedicated R&D Excellence:** In-house Research & Development Centre focused on next-generation battery technologies and innovative energy solutions.
- **Comprehensive Product Portfolio:** Serving multiple industries, including electric mobility, renewable energy, UPS/inverter systems, industrial machinery, medical equipment, robotics, drones, and more.
- **Stringent Quality Standards:** Certified with ISO 9001:2015, ISO 14001:2015, ISO 45001:2018, and additional approvals such as GMP, RoHS, CE, MNRE, IP67, iCAT, along with Make in India recognition and E-Waste compliance.
- **Customized Solutions:** Expertise in tailor-made battery packs to meet specific client requirements for diverse applications.
- **Focus on Sustainability:** Commitment to green technology, eco-friendly practices, and recyclable materials, ensuring minimal environmental impact.
- **Customer-Centric Approach:** Reliable service, strong after-sales support, and long product life backed by industry-leading warranties.
- **Innovation-Driven Growth:** Continuous investment in advanced manufacturing techniques and clean energy technologies for future-ready solutions.
- **Trusted Partner:** Years of proven experience, backed by a reputation for quality, reliability, and performance across domestic and global markets.

SPECIALIZED APPLICATIONS

- **Robotics:** NMC packs like 25.9V 30AH and 48.1V 100AH for robotic systems requiring precision energy delivery.
- **Drones:** Lightweight packs such as 11.1V 5.2AH to 22.4V/44.4 54AH for extended flight times.
- **Medical Equipment:** Safe and reliable power with models like 7.4V2.6Ah, 11.1V 13AH and 14.8V 18.2AH, ensuring uninterrupted healthcare operations.
- **POS & ATM Machines:** Compact batteries from 3.7V 2.2AH to 7.4V 2.9AH for financial transaction devices.
- **Wheelchairs:** Durable solutions like 12.8V 60AH to 25.6V 24AH, ensuring mobility and safety.
- **Fans, Toys & Weighing Scales:** Specialized packs tailored for consumer and industrial needs, including 3.7V to 25.6V 1.8Ah to 12Ah ranges for compact devices.

FIRE, SAFETY & EMERGENCY EQUIPMENT

Reliable battery packs for critical applications, designed for emergency power readiness and operational reliability including 12.8V6Ah to 18Ah.

CUSTOMIZED BATTERY SOLUTIONS

ATC goes beyond standard configurations by delivering tailor-made lithium battery packs for unique applications, ensuring precise fit, functionality, and performance.

CHAIRMAN'S MESSAGE

SANDEEP GANGABISHAN BAJORIA
Chairman & Managing Director

ATC Energies System Limited
(formerly known as ATC Energies System Private Limited)

Dear Stakeholders,

I am pleased to share with you the Annual Report for FY 2024–25, a year marked by strong macroeconomic fundamentals, progressive government reforms, and a decisive push toward clean energy adoption. **India's real GDP expanded by 6.5% during FY 2024–25**, reaffirming its position as the fastest-growing major economy. This growth was driven by strong domestic demand, capital formation, and structural reforms, providing a robust foundation for industrial growth and technological advancement. Looking ahead, projections from leading global institutions indicate that India will sustain a **6.4% growth trajectory in FY 2025–26 and beyond**, driven by infrastructure

investments, manufacturing incentives, and policy initiatives focused on green energy and mobility.

A significant enabler of this transformation has been the proactive stance of the Government of India in shaping the future of the energy storage and electric mobility ecosystem. Strategic programs such as the **Production Linked Incentive (PLI) Scheme for Advanced Chemistry Cells**, combined with initiatives under **FAME II (Faster Adoption and Manufacturing of Hybrid and Electric Vehicles)**, have created a strong manufacturing base for lithium-ion batteries in India. Moreover, the Union Budget for 2025 reinforced the government's commitment to electrification and sustainability by announcing increased capital allocation for renewable energy integration, tax incentives for EV manufacturers, and policies to promote domestic production of battery components and related infrastructure. These measures not only strengthen the domestic supply chain but also position India as a global hub for green energy manufacturing in the coming decade.

The government's emphasis on **energy security and self-reliance**, through initiatives such as **"Make in India"**, has further accelerated investments in the lithium-ion sector. Incentives for setting up giga-factories, priority lending for EV infrastructure, and subsidies on renewable energy storage projects underscore the policy framework that is fueling demand for advanced energy solutions. Collectively, these reforms create an environment where companies like ATC can innovate and grow while contributing to the national mission of achieving net-zero emissions and sustainable economic development.

Amidst this favorable backdrop, **ATC Energies System Limited delivered a strong and resilient performance in FY 2024–25**. The company achieved **Revenue of 51.3159 crore, EBITDA of 13.6283 crore, and Profit After Tax (PAT) of 11.3808 crore**, demonstrating sustained growth

across all business segments. Our operational achievements include significant capacity enhancement at our world-class facilities in Vasai and Noida, integration of automation and advanced testing protocols, and accelerated research and development efforts to deliver next-generation lithium-ion battery solutions. During the year, we introduced a range of **high-energy-density EV batteries, large-scale energy storage systems, and customized industrial solutions**, reaffirming our leadership position in the clean energy domain.

Looking ahead, the opportunity landscape for energy storage in India is both compelling and expansive. The country is targeting the establishment of over **150 GWh of domestic lithium-ion cell manufacturing capacity by 2030**, supported by a clear roadmap for EV penetration and renewable energy integration. With these structural tailwinds and a strong policy ecosystem, ATC is strategically positioned to capitalize on emerging opportunities. Our focus will remain on scaling our manufacturing capabilities, deepening collaborations with OEMs, investing in sustainable technologies, and developing innovative, customized solutions that power clean mobility and smart energy applications.

On behalf of the Board, I express my heartfelt gratitude to our employees, customers, partners, and shareholders for your unwavering trust and continued support. Together, we will lead the transition to a cleaner, smarter, and self-reliant energy future for India.

In compliance with the aforesaid MCA Circulars and SEBI Circulars, the 05th Annual General Meeting of the Members of the Company will be held through VC/ OAVM, without the physical presence of the Members at a common venue.
2. In accordance with Secretarial Standard - 2 on General Meetings issued by the Institute of Company Secretaries of India (ICSI) read with Guidance/Clarification dated April 15, 2020 issued by ICSI, the proceedings of the AGM shall be deemed to be conducted at the Registered Office of the Company at “Unit No.3, Plot No.33, New India Industr Estate, Mahal IN AR, Off MC Rd. Andheri E, Mumbai City, Mumbai, Maharashtra, India, 400093” which shall be the deemed venue of the AGM.
3. Members are informed that in case of joint holders attending the Meeting, only such joint holder whose name appears as the first holder in the order of the names as per the Register of Members of the Company will be entitled to vote at the meeting, provided that the first holder has not already cast his vote by remote e-voting.
4. Members, who hold shares in multiple Demat accounts and those who hold shares in physical form in multiple folios in identical names or joint holding in the same order of names, are advised to consolidate their holdings in single Demat account/ Folio.
5. Pursuant to the provisions of the Companies Act, 2013(Act), a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
6. Members of the Company under the category of Institutional Investors are encouraged to attend and vote at the AGM through VC/OAVM. Corporate members and other non-

individual intending to participate in the AGM can authorize their representatives to participate and vote at the meeting and are requested to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting/e-voting at the AGM.

Further, HUF members shall participate through Karta or any other member of HUF duly authorized by the Karta by way of authority letter.

7. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
8. **SCRUTINISER FOR E-VOTING:** The Board has appointed Mr. Shanu Bhagwandas Mata, proprietor of M/s Shanu Mata & Associates, Practicing Company Secretary (Membership No. FCS 12161, COP 17999) as the Scrutiniser to scrutinise the Remote e-voting process and e- voting at AGM in a fair and transparent manner.

The said Resolution/ Authorization shall be sent to the Scrutinizer by e-mail through its registered e-mail address to csshanumata@gmail.com with a copy marked to evoting@nsdl.com.
10. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
11. At the Fourth AGM held on September 30, 2024 the Members approved appointment of M/s. A Kasliwal & Company, Chartered Accountants, (Firm Registration No. 011727C) as Statutory Auditors of the Company to hold office for a period of Five Years from the conclusion of 4th AGM till the conclusion of 9th AGM of the Company going to be held in the FY 2029-2030. Since the requirement to place the matter relating to appointment of auditors for ratification by Members at every AGM has been done away by the Companies (Amendment) Act, 2017 with effect from May 7, 2018. Accordingly, no resolution is being proposed for ratification of appointment of statutory auditors at the ensuing AGM.

12. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under section 170 of the Companies Act, 2013 and the Registers of Contracts or Arrangements in which the Directors are interested, maintained under section 189 of the Companies Act, 2013 will be available for electronic inspection by the members during the AGM. All the documents referred to in the Notice will also be available for electronic inspection by the members without any fee from the date of circulation of this notice up to the date of AGM. Members seeking to inspect such documents may send an email to cs@atcgroup.co mentioning their Name and Folio Number / DP ID and Client ID.
13. Brief profile of the Director and other additional information pursuant to Regulation 36 (3) of the Listing Obligations and Disclosure Requirement, 2015” Listing Regulations” and Secretarial Standard on General Meetings (SS-2) issued by The Institute of Company Secretaries of India, in respect of the Directors seeking reappointment at the AGM, is furnished as Annexure to the Notice.
14. The Securities and Exchange Board of India (“SEBI”) vide its Circular No. SEBI/HO/MIRSD/DOP1/ CIR/P/2018/73 dated 20th April, 2018 has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to the Depository Participants (“DPs”) with whom they maintain their Demat accounts. Members holding shares in physical form should submit their PAN to the RTA of the Company along with a self-attested copy of PAN Card and original cancelled cheque. The original cancelled cheque should bear the name of the Member. In the alternative Members are requested to submit a copy of bank passbook/statement attested by the bank.
15. Since the AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice.
16. A statement pursuant to the provisions of Section 102(1) of the Act, relating to the Special Business to be transacted at the AGM, is annexed hereto. Further, additional information as required under Listing Regulations and Circulars issued thereunder are also annexed.
17. The register of member will be closed for this annual general meeting from Tuesday, 23rd September, 2025 to Monday, 29th September, 2025 (both days inclusive)
18. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020, May 05, 2020 and December 28, 2022, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through

electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the AGM will be provided by NSDL.

19. The cut-off date for the purpose of determining the Members eligible for participation in remote e-voting (e-voting from a place other than venue of the AGM) and voting at the AGM is Monday, 22nd September, 2025. Please note that Members can opt for only one mode of voting i.e., either by voting at the meeting or remote e-voting. If Members opt for remote e-voting, then they should not vote at the Meeting and vice versa. However, once an e-vote on a resolution is casted by a Member, such Member is not permitted to change it subsequently or cast the vote again. Members who have cast their vote by remote e-voting prior to the date of the Meeting can attend the Meeting and participate in the Meeting, but shall not be entitled to cast their vote again.
20. Any person, who acquires shares of the Company and becomes a Member of the Company after dispatch of the Notice, holds shares as of the cut-off date i.e. Monday, 22nd September, 2025, may obtain the login ID and password by sending a request at evoting@nsdl.com. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. PRIMARY BUSINESS OF THE COMPANY

Our Company was incorporated as ATC Energies System Private Limited on September 2, 2020, under the Companies Act, 2013, pursuant to a Certificate of Incorporation dated September 5, 2020, issued by the Registrar of Companies (RoC), Mumbai, having CIN: U31909MH2020PTC345131.

Subsequently, the Company was converted from a private limited company to a public limited company, pursuant to a special resolution passed by the shareholders on February 21, 2024. The name of the Company was changed from ATC Energies System Private Limited to ATC Energies System Limited vide a fresh Certificate of Incorporation dated May 1, 2024, issued by the RoC, Mumbai. The Corporate Identification Number (CIN) of our Company is L31909MH2020PLC345131.

Further, the Company issued shares pursuant to its Initial Public Offer (IPO) and was listed on the Emerge Platform of NSE Limited on April 2, 2025.

The Company is engaged in the business of manufacturing, assembling, processing, producing, supplying, repairing, purchasing, selling, importing, exporting, making, fabricating, and dealing in all types of batteries, including stationary batteries, lithium-ion battery packs, starting batteries, storage batteries, traction batteries, alkaline batteries, dry batteries, button batteries, solar power batteries, mini batteries, and batteries for emergency lights, as well as dry cells and other batteries used or required for industrial, transport, commercial, and consumer purposes.

The Company also deals in their components, parts, ingredients, substances, systems, consumable accessories, and fittings, including but not limited to battery plates, cases, wires, knobs, accessories, distilled water, armatures and armature windings, electrical wires and accessories, electrical motors, generators, accumulators, battery chargers, relays, transformers, auto transformers, electrical switches, plugs, sockets, circuit breakers, actuators, connectors, measuring instruments, multimeters, power adapters, networking cables, POS and ATM machine accessories, multi-testers, electrical connectors, and automobile parts.

2. INDUSTRY STRUCTURE AND DEVELOPMENTS

The lithium-ion battery industry is experiencing rapid growth, revolutionizing power sources from electric vehicles to consumer electronics. The global market for these batteries surged to an estimated USD 64.8 billion in 2023 from USD 40 billion in 2019, reflecting a compound annual growth rate (CAGR) of 13%. The market is projected to continue its exponential expansion, reaching over USD 146 billion by 2028, with a projected CAGR of 17.6%. This impressive growth trajectory highlights the critical role of lithium-ion

batteries in advancing the clean energy transition and shaping the future of energy.

3. COMPETITIVE STRENGTHS

1. Diversified product portfolio catering to various industries / end use applications offering diverse range of solutions

Our diversified and comprehensive product portfolio is a critical strength of our business. While we commenced our business producing mini size batteries for the Banking Industry, we have established ourselves as a player providing all sizes of battery cells for a wide range of industry and business end use applications. We have the ability to curate and customise products which can be tailored according to the specific needs and standards of our customers. This adaptability not only enhances market resilience against economic fluctuations in any single industry but also positions us as a versatile and reliable supplier, capable of innovating and meeting the evolving technological needs of diverse customers.

Our battery-size agnostic and industry / end use application agnostic approach truly make us available for all industrial as well as domestic applications. Moreover, the ability to serve a wide range of applications underscores the company's expertise and leadership in lithium battery technology, fostering stronger customer relationships and opening up new growth opportunities across different market segments.

2. Focus on quality and performance

A strong focus on quality and performance of our product offerings is a crucial strength for our company. Emphasizing high standards in product quality ensures reliability, safety, and superior performance, which are essential in critical applications such as electric vehicles, medical devices, and renewable energy storage. Our stringent quality control measures and protocols at each critical step in our processes has not only minimized the risk of product failures and costly recalls but also built consumer trust and loyalty.

Since inception our Company has served 250+ customers both corporate and retail. With a combination of our product quality, sales and marketing efforts as well as customer connect, we are actively creating a strong brand and product recall. We started our company producing mini battery cells with end use application for POS & ATM machines for various Banks and clocked a revenue from them of ₹ 3,339.90 lakhs during year ended March 31, 2022 which has marginally decreased to ₹ 2,962.71 lakhs for Fiscal ended March 31, 2024, and ₹ 2,651.44 lakhs for Fiscal ended March

31, 2025. This has been a result of good product quality and strong brand recall value. Such demonstrations have helped us acquire new customers and retain existing ones. We believe that this reputation for quality and reliability differentiates us from competitors enabling us to command premium pricing and maintain a strong market position.

3. Experienced Leadership and Workforce Team

Our Promoter, Sandeep Gangabishan Bajoria has 25 years of experience as an entrepreneur and has been instrumental in driving our growth since inception of our business. Experienced leadership and a skilled workforce is of paramount importance to our existence. Our promoter, is a veteran in this space and brings strategic vision, industry insights, and robust decision-making capabilities, driving the company towards sustained growth and innovation. His expertise helps in navigating market complexities, fostering partnerships, and identifying new business opportunities. Our knowledgeable and proficient workforce has ensured high-quality production, efficient operations, and continuous improvement in technology and processes. This combined expertise enhances the company's ability to develop cutting-edge products, respond adeptly to market demands, and maintain a competitive edge. The vision and foresight of our management enables us to explore and seize new opportunities and accordingly position ourselves to introduce new products to capitalize on the growth opportunities in the sector.

4. Stable financial performance

We have demonstrated stable financial performance over the years with growth in terms of revenues and profitability. Over the last three years, we have focused our attention towards expanding our product portfolio which has resulted in an increase in our revenue from operations and profits. Our revenue from operations has grown from ₹ 3,648.30 lakhs in Fiscal 2022 to ₹ 5,131.59 lakhs in Fiscal 2025. Our profit has marginally decreased from Rs 1188.90 lakhs in Fiscal 2022 to Rs 1138.08 lakhs in Fiscal 2025. The stable growth in revenue, profits, ROCE enable us to fund our strategic initiatives and pursue opportunities for growth.

4. GROWTH STRATEGIES

1. Expand scale of business operations and improving operational efficiencies

Our primary focus is to improve our operational efficiency at our manufacturing facilities which will lead to cost minimization and better resource utilization. Higher operational efficiency results in greater production volumes and higher sales, and therefore allows us to spread fixed costs over the increased sales quantity, thereby increasing profit margins of the Company. This includes investing in automation, new technology, and better equipment to upgrade our products and improve quality based on what customers want. We strive to achieve economies of scale to gain increased negotiating power on procurement and to

realize cost savings through centralized deployment and management of production and other support functions. Attract **high-value enterprise clients** through targeted marketing, enhanced service offerings, and value-driven engagement strategies. Adapt and expand services proactively to meet **evolving business needs**, capture new verticals, and drive sustained revenue growth.

The lithium-ion industry demand is witnessing healthy demand growth in India backed by rising usage in diversified end user industry. The country's cumulative lithium-ion battery market in India has grown from 2.9 GWh in 2018 to 22.4 GWh in 2021 and is estimated to have grown further to 49.8 GWh in 2023. Between 2020-23, the market demand is estimated to have grown by 47% CAGR. This expansion is driven by advancements in battery technology, heightened investment in renewable energy infrastructure, and supportive government policies promoting green energy and sustainable transportation. Leading companies in the market are concentrating on increasing production capacity, improving battery efficiency, and ensuring sustainable supply chains to meet the growing demand while addressing environmental and resource-related challenges (Source: Company commissioned and paid Dun & Bradstreet Report).

We believe that growth in the emerging areas of application such as electric vehicles, robotics and automation, drones, medical devices, and Internet of Things, will lead to a growing demand for lithium-ion batteries. (Emerging areas of application have been sourced from "Industry Research Report on Lithium Ion Battery" from Dun & Bradstreet) We believe that expansion in scale of business operations and improving operational efficiencies will result in consistency in our operational margin, which was 33.74%, 30.32% and 35.61% for the Fiscals ended March 31, 2025, March 31, 2024 and March 31, 2023, respectively.

2. Expand geographical footprint

Since commencing our operations, we have primarily supplied our products in the states of Maharashtra, Haryana and Tamil Nadu. We gradually intend to expand our operations to multiple locations to enhance our market presence. We plan to continue our strategy of diversifying and expanding our presence in these regions for the growth of our business. We are selective in expanding to new locations and look at new geographies where we can deliver quality services without experiencing significant delays and interruptions due of local considerations. Through further diversification of our operations geographically, we hope to hedge against risks of operations in only specific areas and protection from fluctuations resulting from business concentration in limited geographical areas. By establishing our operations in key regions, we aim to tap into new markets and reduce transportation costs and delivery lead times.

This approach will help us leverage local resources and talent, which could resultantly drive innovation and operational improvements. We will look to build partnerships with local suppliers to ensure a reliable supply chain and robust support network.

3. New inclusions in company’s product portfolio

We plan to expand and diversify our products portfolio to address the diverse needs of our customer and stay ahead in the industry. We are working on high-capacity lithium batteries to support applications requiring extended battery life and higher power output. We are also working on new eco-friendly battery options align with our sustainability goals, featuring recyclable materials and green assembling processes.

Our modular battery packs will provide customizable and scalable solutions for various applications, from consumer electronics to industrial machinery. This strategic expansion of our product portfolio will enable us to serve a broader range of industries and applications, ensuring sustained growth in the lithium battery sector.

4. Widening key customer base by focusing on marketing

We plan to widen our corporate and retail customer base that will drive our growth and market presence. We will implement targeted marketing campaigns to reach new industries and sectors that can benefit from offerings. By leveraging data analytics, we can identify potential customers and tailor our messaging to address their specific needs and pain points.

We are enhancing our digital presence through SEO optimization, social media engagement, and content marketing, ensuring that our expertise and innovative products are visible to a wider audience. Participating in industry trade shows and conferences allows us to showcase our technology and build direct relationships with potential clients. This marketing strategy will enable us to connect with new markets and fuel our expansion.

5. OPPORTUNITIES

Tracing the global growth trend, the lithium-ion battery is witnessing healthy demand growth in domestic market too. In 2022, LIB demand in India was estimated at 11GWH. The projected annual demand for Li-ion batteries (LIBs) in India expected grow to 160.3 GWh by 2030, taking the total cumulative demand to 600 GWh by 2030.

The largest demand between 2022-30 is projected to come from EV at 381.4 GWh (64%), followed by stationary storage (grid scale) at 134.2GWh (22%), BTM at 47.3GWh (8%) and consumer electronic at 36.4 GWh (6%).

The increasing demand scenario underscores the critical need for the Indian battery manufacturing industry to secure its supply chain and enhance domestic value addition to meet the projected demand. The anticipated growth in LIB

demand presents substantial economic opportunities, including job creation and technological advancements, while aligning with India’s goals for a low-carbon economy. Strategic developments in the battery manufacturing sector are essential to capitalize on these opportunities and mitigate potential trade imbalances resulting from import dependencies. Overall, the substantial increase in LIB demand across various sectors, particularly in grid storage and electric mobility, highlights the transformative impact of battery technology on India’s energy future. (Source: Company commissioned and paid Dun & Bradstreet Report).

6. INDUSTRY OUTLOOK

India’s lithium-ion battery market has experienced significant growth, expanding from 2.9 GWh in 2018 to 49.8 GWh in 2023, reflecting a compound annual growth rate (CAGR) of 47%. This growth is driven by advancements in battery technology, renewable energy adoption, and supportive government policies. The market is projected to reach 160.3 GWh annually by 2030, with a cumulative demand of 600 GWh between 2022 and 2030.

In value terms, the Indian lithium-ion battery market was estimated at approximately USD 2 billion and is expected to grow to USD 6 billion by 2026 and further to USD 15 billion by 2030.

The average price for a lithium-ion battery pack has decreased from USD 780 per kWh in 2013 to USD 139 per kWh in 2023, with projections to decline further to USD 100 per kWh by 2026 and USD 73 per kWh by 2030.

Government initiatives such as the Production Linked Incentive (PLI) scheme and the Faster Adoption and Manufacturing of Hybrid and Electric Vehicles (FAME) scheme are expected to bolster domestic manufacturing capabilities and reduce import dependency.

ATC Energies System Limited is well-positioned to capitalize on these industry trends, offering a range of lithium-ion battery solutions tailored to various applications, including electric vehicles, renewable energy systems, and industrial automation. The company’s focus on innovation, quality, and sustainability aligns with the growing demand for efficient energy storage solutions in India.

7. RISKS AND CONCERNS

- The lithium battery industry is vulnerable to supply chain disruptions caused by its reliance on a few critical raw materials like lithium, nickel, cobalt, graphite, and manganese, which, if disrupted, can lead to shortages and higher costs and adversely impact our profitability.
- We do not have long term contracts or exclusive arrangements with any of our suppliers, and a significant increase in the cost of, or a shortfall in the availability, or deterioration in the quality, of such input materials could have an adverse effect on our business and results of operations.

- We are dependent on, and derive a substantial portion of our revenue from, two customers, namely M/s Agarwal Trading Company and M/s Hind Industries - both categorised as “Promoter Group entities”. Reduction in orders from these customers could have a material adverse effect on our business, results of operations and financial condition. The dependency on these two customers may lead to real or potential conflicts of interest for our Company
- We are significantly reliant on the banking industry for sale of our products.
- Heavy dependence on raw material imports from China poses a substantial risk for us, as disruptions due to political tensions or trade disputes can lead to supply chain interruptions, quality control issues, and heightened competition, which could adversely affect our business, results of operations and financial condition.

8. INTERNAL FINANCIAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has robust and comprehensive Internal Financial Control system commensurate with the size scale and complexity of its operations. The system encompasses the major processes to ensure reliability of financial reporting, Compliance with policies, procedures, laws, and regulations, safeguarding of assets and economical and efficient use of resources.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S No.	Key Audit Matter	Auditor’s Response
1.	Revenue Recognition Revenue from sale of goods is recognized when control of the goods is transferred to the customer, which is typically upon delivery in accordance with the terms of the contract. Revenue is a significant metric for evaluating the Company’s performance and is therefore a key focus area in the audit. There is a risk of revenue being overstated due to pressure on management to achieve performance targets at or near the end of the reporting period. The application of the revenue recognition accounting standard involves significant judgments, particularly in determining the timing of revenue recognition, identifying distinct performance obligations, and assessing the transaction price and allocation	Our audit procedures included, among others: 1. Evaluated the appropriateness of the Company’s revenue recognition accounting policies and tested their consistent application. 2. Assessed the design and tested the operating effectiveness of internal controls related to revenue recognition. 3. Performed substantive testing of sales transactions recorded during the year and around the year-end to determine whether revenue was recognized in the correct accounting period. 4. Verified, on a sample basis delivery documentation to assess the timing of revenue recognition. 5. Performed analytical procedures and trend analysis on revenue streams. 6. Evaluated the disclosures related to revenue recognition in the financial statements for compliance with the accounting principles generally accepted in India.
2.	Inventory Valuation Inventories of raw material are carried at the lower of cost and net realizable value and for finished goods, these are valued at the lower of cost or market value. The valuation of inventories involves significant management judgment, particularly in determining net realizable values, assessing slow-moving and obsolete items, and estimating provisions. Given the quantum of inventory held and the subjective estimates involved in valuation, this area was considered to be a key audit matter.	Our audit procedures included, among others: 1. Evaluated the appropriateness of the Company’s accounting policies related to inventory valuation. 2. Assessed the design and tested the operating effectiveness of controls over the inventory valuation process. 3. Observed physical inventory counts and performed sample test counts to confirm existence and condition of inventories. 4. Tested the costing methodology used by the Company and verified the cost of a sample of inventory items to supporting documentation. 5. Evaluated management’s assessment of net realizable value of inventories, including the reasonableness of assumptions and estimates used. 6. Reviewed the ageing analysis of inventories and assessed the adequacy of provisions for slow-moving and obsolete items. 7. Verified compliance accounting principles generally accepted in India in the disclosures related to inventories.

Information other than the financial statements and auditors' report thereon

The Company's management and board of directors are responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statement

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise

from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or

regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

As required by the **Companies (Auditor's Report) Order, 2020** ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable..

As required by section 143 (3) of the Act, we report that:

- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- The Balance Sheet, Statement of Profit and Loss and Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015 as amended from time to time.
- On the basis of written representations received from the directors as on 31st March 2025 taken on record by the Board of Directors, none of the director is disqualified as on 31st March 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- There is no qualification, reservation or adverse remark relating to maintenance of accounts and other matters connected therewith.
- With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls refer to our separate Report in Annexure "B" wherein we have expressed an unmodified opinion.
- With respect to other matters to be included in the Auditor's Report in accordance with the requirements of section 197 (16) of the Act, as amended, in respect of whether the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - The Company does not have any pending litigations which would impact its financial position.
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

- There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts,
 - no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities 'Intermediaries', with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company 'Ultimate Beneficiaries' or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - no funds have been received by the company from any person(s) or entity(ies), including foreign entities 'Funding Parties', with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party 'Ultimate Beneficiaries' or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - Based on audit procedures carried out by us, that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- The Company has not declared or paid any dividends during the year and accordingly reporting on the compliance with section 123 of the Companies Act, 2013 is not applicable for the year under consideration.
- Based on our examination which included test checks, the Company has used an accounting software (Tally) which has a feature of recording audit trail (edit log) facility and same has been operative. Further, during the course of our audit we did not come across any instance of the audit trail being tampered with.

ANNEXURE “A” TO INDEPENDENT AUDITORS’ REPORT

Report on the Companies (Auditor’s Report) Order, 2020, issued in terms of Section 143(11) of the Companies Act, 2013 (“the Act”) of ATC Energies System Limited (“the Company”):

On the basis of such checks as we considered appropriate and in terms of the information and explanations given to us, we report that: -

i. In respect of company’s property, plant and equipment:

- The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- The Company has maintained proper records showing full particulars of intangible assets.
- According to the information and explanations given to us and based on our examination of the records of the Company, the Property, Plant and Equipment have been physically verified by the management at reasonable intervals; no material discrepancies were noticed on such verification.
- According to the information and explanations given by the management, the company has maintained proper records of immovable property as appears from books of accounts. In our opinion and according to information and explanations given to us and on the basis of examination of records of the company, the title deed of the immovable property (other than the properties where is company is the lessee and lease agreement are duly executed in favour of the lessee) as disclosed under property, plant and equipment are held in the name of the company as at the balance sheet date.
- According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets during the year. Accordingly, the reporting under Clause 3(i)(d) of the Order is not applicable to the Company.
- According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

ii. Inventories:

- As explained to us, inventories have been physically verified by the management at reasonable intervals during the year and discrepancies noticed on physical verification of inventory as compared to the book records did not exceed 10% or more in the aggregate for any class of inventory.

- The company has been sanctioned working limits which is not in excess of Rs 5 crores, in aggregate from banks on the basis of primary security on current assets which are stock and debtors. The company is submitting a monthly stock statement to the bank and such statements are in agreement with books of accounts.

iii. Loans, Investment, Guarantees, Securities and Advance in the nature of Loan

- According to the information and explanations given to us, the Company has not granted loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties listed in the register maintained under Section 189 of the Companies Act, 2013. Accordingly, the provisions of clauses 3(iii) (a), (b), (c), (d), (e) and (f) of the order are not applicable to the Company.
- In our opinion and according to the information and explanations given to us, the Company has not granted any loans, making investment and providing guarantees and securities, as applicable.

iv. Compliance of Sec. 185 and 186

Since the company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties listed in the register maintained under Section 189 of the Companies Act, 2013 hence the clause of this order is not applicable to the Company.

v. Public Deposit

The Company has not accepted any deposits from the public within the meaning of the directives issued by the Reserve Bank of India, provision of Section 73 to 76 of the Act, any other relevant provision of the Act and the relevant rules framed thereunder.

vi. Cost Records

The maintenance of cost records has not been specified by the Central Government under Section 148(1) of the companies Act, 2013 for the business activities carried out by the company, thus reporting under clause 3(vi) of the order is not applicable to the Company.

vii. Statutory dues:

- According to information and explanations given to us, the Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Income Tax, Goods and Service Tax, Custom Duty, Cess, Professional Tax and other material statutory dues applicable to it with the appropriate authorities. There were no disputed amounts payable in respect of provident fund, employees’ state insurance, income-tax, goods and service tax, cess and other statutory dues outstanding, at the year end, for a period of more than six months from the date they became payable.

- According to the information and explanations given to us and on the basis of our examination of the records of the company, there are no statutory dues referred to in sub-clause (a) that have not been deposited on account of any dispute.

viii. Unrecorded Income

According to information and explanations given to us, there were no transactions which were recorded in the books of account have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax, 1961.

ix. Application and repayment of Loans and Borrowings

- Based on our audit procedures and on the basis of information and explanations given by the management, we are of the opinion that the Company has not defaulted on repayment of loans or borrowings from banks and debenture holders.
- The Company has not been declared a willful defaulter by any bank or financial institution or government or any government authority.
- In our opinion and according to the information and explanation given by the management, we are of the opinion that money raised by the Company by way of term loan has been applied for the purpose for which it was raised. There is no diversion of funds noticed.
- On an overall examination of the financial statements of the Company, funds raised on short- term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- The company has not raised loans during the year on pledge of securities held in any subsidiary, joint ventures or associate company, hence reporting under clause (ix)(e) and (f) is not applicable to the company.

x. Application of funds raised through public offer.

- In our opinion and according to the information and explanation given by the management, we are of the opinion that money raised by the Company by way of initial public offering was lying in Escrow account with ICICI Bank as the money was raised in the last week of March, 2025 and same has not been utilized. There were no funds raised by way of further public offer (including debt instruments).
- In our opinion and according to the information and explanation given by the management, the company has not made any preferential allotment (Sec. 62) or private placement (Sec. 42) of shares or convertible debenture (fully, partially or optionally convertible) during the year.

xi. Frauds

- To the best of our knowledge and according to the information and explanations given to us, no fraud by the company or on the company has been noticed or reported during the year.

- There is no reporting u/s 143(12) of the Companies Act 2013 has been filed by us (the auditors) in from ADT-4 as prescribed under Rule 13 of companies (Audit and Auditors) Rules, 2014 with the central Government up to the date of this report.

- According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year and up to the date of this report.

xii. Nidhi Company

In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Therefore, paragraph 3(xii) of the Order is not applicable.

xiii. Related party Transaction

In our opinion and according to the information and explanations given to us, the Company is in compliance with Sections 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the Financial Statements as required by the applicable accounting standards.

xiv. Internal Audit

To the best of our knowledge the company was not required to appoint an internal auditor for the purpose of internal audit for the period under review.

xv. Non Cash Transaction with Directors

In Our opinion and according to the information and explanations given to us, during the year the Company has not entered any non-cash transactions with its Directors or persons connected to its directors and hence provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.

xvi. Registration U/s. 45-IA of RBI Act

- The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly clause 3 (xvi) (a), (b) and (c) of this paragraph is not applicable.
- The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.

xvii. Cash Losses

As per the information and explanation given by the management, the company has not incurred cash losses in the current financial and immediately preceding financial year.

xviii. Auditor’s Resignation

There has been no resignation of statutory auditors during the year. Accordingly, clause 3 (xviii) of the Order is not applicable.

xix. Material uncertainty in payment of liabilities

On the basis of the financial ratios, ageing and expected dates of realization of assets and payment of liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which cause us to believe that any material uncertainty exists as on the date of this audit report and that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company.

We further state that our reporting is based on the facts up to date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. Corporate Social Responsibility

Based on our examination and according to the information and explanation given to us, the Company does not have any unspent amount towards Corporate Social Responsibility in respect of any ongoing or other than ongoing project at the end of the financial year, Accordingly, reporting under this clause is not applicable to the Company.

ANNEXURE “B” TO INDEPENDENT AUDITORS’ REPORT

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

Opinion

We have audited the internal financial controls with reference to financial statements of **ATC Energies System Limited** (“the Company”) as of 31st March 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date. `

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31st March 2025, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”).

Management’s Responsibilities for Internal Financial Controls

The Company’s Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to

financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company’s internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes on Financial Statements for Year Ended 31st March, 2025

Note 1. SUMMARY STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES & NOTES TO FORMING PART OF FINANCIAL STATEMENT

COMPANY OVERVIEW

ATC ENERGIES SYSTEM LIMITED (the Company) (formerly known as ATC Energies System Private Limited) was incorporated on 2nd September 2020 under the companies Act, 2013 bearing registration no. 345131 and having its registered office at Unit No. 3, New India Industrial Estate, Off Mahakali Caves Road, Andheri (E), Mumbai - 400 093. The company is engaged in the business of manufacturing and exporting of lithium batteries.

I. SIGNIFICANT ACCOUNTING POLICIES & NOTES TO ACCOUNTS

A) BASIS OF PREPARATION OF FINANCIAL STATEMENT

The Financial Statement have been prepared under the historical cost convention in accordance with the generally accepted accounting principles, applicable accounting standards excepts otherwise stated and the provisions of the Companies Act, 2013 as adopted consistently by the Company. The Company generally follows mercantile system of accounting and recognizes items of income and expenditure on accrual basis.

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis.

GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act. The accounting policies adopted in the preparation of financial statements have been consistently applied. All assets and liabilities have been classified as current or non-current as per the company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of operations and time difference between the provision of services and realization of cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

B) USE OF ESTIMATES

The preparation of financial statements is in conformity with Indian GAAP requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the year. Difference between the actual results and estimates are recognized in the year in which the results are known/ materialized.

C) ACCOUNTING CONVENTION

The Company follows the mercantile system of accounting, recognizing income and expenditure on accrual basis. The accounts are prepared on historical cost basis and as a going concern.

Accounting policies not referred to specifically otherwise, are consistent with the generally accepted accounting principles.

The following significant accounting policies are adopted in the preparation and presentation of these financial statements:

1. REVENUE RECOGNITION

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognitions criteria must also be met before revenue is recognized:

i) Sale of goods

Revenue is recognized when the significant risks and rewards of ownership of the goods have been passed to the buyer. Sales are disclosed net of GST, trade discounts and returns, as applicable.

ii) Interest Income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate.

2. PROPERTY, PLANT, EQUIPMENT & INTANGIBLE ASSETS

a) Property, Plant & Equipment are stated as per Cost Model i.e., at cost less accumulated depreciation and impairment, if any;

Notes on Financial Statements for Year Ended 31st March, 2025

- b) Costs directly attributable to acquisition are capitalized until the Fixed Assets are ready for use, as intended by the management. For addition to assets, depreciation is calculated from the succeeding month in which the assets is purchased and put to use. For sale of assets, depreciation is calculated till the end of the month before the day of sale and the Profit or Loss on sale is determined accordingly.
- c) Subsequent expenditures relating to fixed assets are capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs & maintenance costs are recognized in the Statement of profit & Loss when incurred;
- d) The cost and related accumulated depreciated are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit or Loss. Assets to be disposed of are reported at the lower of the carrying value or the fair value less cost to sell;
- e) Depreciation on Tangible Assets in case of company is provided in such a manner so that the cost of asset (Net of realizable value) will be amortized over their estimated remaining useful life on SLM basis as per the useful life prescribed under Schedule II to the Companies Act 2013.
- f) Depreciation methods, useful lives, and residual values are reviewed periodically, including at each financial year end. Fixed Assets of individual value of Rs. 5000/- and below each are fully depreciated in the year of its purchase.
- g) Useful lives of the property plant & equipment is recognized as under:-

Assets class	Useful life
Furniture & Fixtures	10 Years
Office Equipment's	10 Years
Computer Equipment's including mobile phones	3 Years
Plant & Machinery	8 Years
Vehicles	8 Years
Land & Building	60 Years

3. INVESTMENTS

Investments which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as Current Investments. All other investments are classified as Long-Term investment. On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as Brokerage, Fees and Duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost.

However, the provision for a reduction in value is made to recognize a decline other than temporary in the value of investments. On disposal of an investment, the difference between it carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss.

4. INVENTORIES

Inventories comprising of raw material, finished goods and consumables. Cost includes the purchase price and other associated costs directly incurred in bringing the inventory to its present location excluding GST. Net realizable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated cost necessary to make the sale. Inventories are valued as under:-

- 1. Raw Material- Valued at cost price or net realisable value whichever is lower
- 2. Finished goods- Valued at cost or market value whichever is lower
- 3. Consumables- at cost price

Notes on Financial Statements for Year Ended 31st March, 2025

5. IMPAIRMENT OF ASSETS

The Management periodically assesses, using external and internal sources, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price and value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in Prior Years.

6. RETIREMENT BENEFITS & OTHER EMPLOYEE BENEFITS

Short term employee benefits are recognized as an expense on accrual basis. The company has no obligation in terms of retirement benefits towards its employees except Gratuity.

There are no defined benefits for leave encashment etc. In the financial statements, the Company has made provision for payment of Gratuity to its employees.

7. FOREIGN EXCHANGE TRANSACTIONS

Details of foreign currency transactions recorded during the years are covered under this financial information are in the note 25 of the financial statements

8. CASH FLOW STATEMENT

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non- cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

9. BORROWING COSTS

Expenses related to borrowing cost are accounted using an effective interest rate. Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period to get ready for their intended use are capitalized as part of the cost of that asset. Other borrowing costs are recognized as an expense in the period in which they are incurred.

10. INCOME TAX

Income tax expenses comprise current tax and deferred tax charged or credited. Provisions for income tax are made on the basis of section 115 BAB of the Income Tax Act. Current tax is measured on the basis of estimated taxable income for the current accounting year in accordance with the provisions of the Income Tax Act, 1961.

Deferred Tax is recognized, on timing differences, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the period when assets is realized or liability is settled, based on taxed rates and tax laws that have been enacted or substantially enacted by the Balance Sheet date.

Deferred Tax assets in respect of unabsorbed depreciation and carry forward of losses are recognized only if there is virtual certainty that there will be sufficient future taxable income available to realize such losses.

11. EARNINGS PER SHARE

Basic earnings per share is calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

As per Accounting Standard -20 on Earning Per Share, If the number of equity or potential equity shares outstanding increases as a result of bonus issue or share split or decreases as a result of reverse split(consolidation of shares), the calculation of basic and diluted earning per shares should be adjusted for all the periods presented. If these changes occur after the balance sheet date but before the date on which the financial statements are approved by Board of Directors, the per share calculation of those financial statements and any prior period financial statements presented should be based on new number of shares.

Notes on Financial Statements for Year Ended 31st March, 2025

12. PROVISIONS AND CONTINGENT LIABILITIES

Provisions are recognized when there is a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate.

A present obligation that arises from past events whether it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent Liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Claims against the Company where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities. Contingent liabilities are not recognized but are disclosed and contingent assets are neither recognized nor disclosed, in the financial statements. The company has taken various Bank Guarantees required to be submitted to Custom authorities towards import and export of goods as well as collateral security for availing facilities from Banks against which company has lien various term deposits with the banks.

13. CASH & CASH EQUIVALENTS

Cash and cash equivalents comprise cash and cash on deposit with banks. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

14. SEGMENT REPORTING

The Company is operating under a single segment of manufacturing of lithium batteries.

15. OTHERS

Related party transactions are reported as per AS-18 of Companies (Accounting Standards) Rules, 2006, as amended, in the Note 31 of the enclosed financial statements.

Figures have been rearranged and regrouped wherever practicable and considered necessary.

The management has confirmed that adequate provisions have been made for all the known and determined liabilities and the same is not in excess of the amounts reasonably required to be provided for.

The balances of trade payables, trade receivables, loans and advances are unsecured and considered as good.

Realizations - In the opinion of the Board and to the best of its knowledge and belief, the value on realization of current assets and loans and advances are approximately of the same value as stated.

Contractual liabilities – All other Contractual liabilities connected with business operations of the company have been appropriately provided for.

Amounts in the financial statements - Amounts in the financial statements are rounded off to nearest Indian Rupees in lakhs. Figures in brackets indicate negative values.
